Here it may be stated that the ultimatum on the part of Chairman Doherty meets with serious objections from skilled parliamentarians not members of the City Committee. A prominent attorney recognized as an authority on parliamentary law said last night that the committee is a law unto listelf, that the adoption of the pedage required not a unanimous, but simply a majority vote, and that likewise a reconsideration of that action might be had by a simple majority.

Branch and Christian Speak.

Mr. John P. Branch and Judge George L. Christian were particularly laudatory in their remarks, the latter saying that Captain McCarthy was the best Mayor Richmond has had in the forty odd years that he has been a resident of their city. Mr. Branch enlarged on this by the statement that McCarthy was a better Mayor than any two former executives combined.

It was claimed by the speakers that although Judge Richardson was an extillent citizen, it would be unwise to make a change in the administration at this time while everything was being so ably and honestly conducted.

Where different citizens began the ward reports. Mr. Chris Manning, Jr., said that the Mayor was certain to capture two of the four precincts in Jefferson.

When Judge Christian answered the cheering demands for a speech, he declared that Captain McCarthy was the best Mayor the city ever had. "I first knew him." he said, "when he came to visit his two brothers in the Army of Northern Virginis, and I want to tell you that the three McCarthy brothers were as brave as any soldiers that went into the war.

"I have been treated by doctors for twenty-five years for a bad case of eczema on my leg.

They did their best, but failed to cure it. My doctor had advised me to have my leg cut off, but I said I would try the Cuticura. Remedies first. He said, "Try them if you like, but I do not think they will do any good." At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Pills. After the first two treatments the swelling wont down, and in two months my leg was cured and the new skin came on. The doctor could not believe his own eyes when he saw that Cuticura had oured me and said that he would use it for his own patients. I used two cakes of Cuticura Soap, three boxes of Ointment, and five bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have lots of grandchildren, and they are frequent users of Cuticura, and I always recommend it to the many people whom my business brings to my house every day.
